Luminis Health
Doctors Community Medical Center

1975-2025

The 2026 Luminis Health Doctors Community Medical Center Golf Invitational brings the excitement of golf to Prince George's County in an event that will support our ongoing efforts to improving health outcomes in our local communities.

The Luminis Health Doctors Community Medical Center Golf Invitational will feature:

- A day on the 18-hole course at the Country Club at Woodmore, renowned as one of the region's most challenging and distinguished courses.
- One-on-one instruction to sharpen your skills from a Woodmore Golf Pro at the LHDCMC Golf Invitational Golf Clinic. The clinic begins at 11:30 AM, followed by a networking reception where guests can unwind, connect, and welcome tournament participants as they return from the course.
- A festive luncheon with delicious food, networking, and recognition of tournament winners, plus a raffle drawing to keep the excitement going!
- Countless opportunities to make a meaningful impact by helping expand access to women's health services in Prince George's County.

Do not miss the chance to participate in this signature event.

You will support the health and well-being of the residents of Prince George's County and the region with quality health care services. Luminis Health Doctors Community Medical Center is addressing health equity through our focus on women's health, with the future development of a new women's health center.

Expanding Access to Maternal Care

As we celebrate our 50th Anniversary, we remain focused on expanding women's health services on the LHDCMC campus to provide quality care close to home for families in our community. This new center will feature labor, delivery, and postpartum care with rooms designed for a family-centered birth experience. We plan to open the center in 2028, and once fully operational, look forward to delivering approximately 2,000 babies each year.

Whether you enjoy golfing or networking, this is the event for you. We hope to see you in June!
